GRADUATION CEREMONY

As Altınbaş University, we organized two graduation ceremonies this year. We did not want to deprive our students who would have attended the 2019-2020 ceremony of this right, but we were unable to organise this event due to the pandemic restrictions. However, we had realised the students' dream of throwing caps with a 1-year delay. 2020-2021 graduation ceremonies were held at Mahmutbey stadium.

BEAUTY OF ISTANBUL

The Çamlica Radio & TV Tower

As the French author Lamartine once said, "If they say you will look at the world for the last time, I would like this look from Istanbul's Çamlica." The Çamlica Radio & TV Tower rises on the Çamlica Hill, a precious symbol of Istanbul, which is an ancient and strategically located city brimming with history

and surrounded by natural beauty. Follow us for more :
