

GLOBALTINBAS NEWS

WELCOME

We have successfully completed our spring semester student orientation program. Hosting over 40 students coming from all around Europe and Beyond. The orientation program for Erasmus+ incoming students was a great way to welcome them to our institution and help them adjust to a new academic and cultural environment. We wish success to all incoming students.

Global Alumni Ambassador Programme

Global Alumni Ambassador Programme comprises volunteer international alumni of Altınbaş University, appointed by the university administration as the country ambassador to represent their alma mater at their home countries. Currently, 15 Global Alumni Ambassadors from 13 different countries continue their duties.

IHLAMUR PAVILIONS

*Ottoman summer palace from the mid-1800s with
its Baroque carvings, cafe and well-kept gardens.*

Ihlamur Palace is a former imperial Ottoman summer pavilion located in Istanbul, Turkey. It was constructed during the reign of Sultan Abdülmecid I (1839-1860). Today, the Ihlamur Pavilion, which protects itself from the noise and chaos of its surroundings with high walls, consists of two structures built inside a resting area known as Ihlamur Promenade since ancient times.

ALTINBAŞ UNIVERSITY LEADS THE WAY

We are Türkiye's first university to be awarded the ISO 21001:2018 Educational Institutions Management System certification; the second university with the most academic units to receive the accessibility award in education. At the Higher Education Barrier-Free University Awards, we received the orange flag for renewing our Accessibility in Space Award for our Mahmutbey Technology Campus and our Faculty of Engineering and Architecture.

SHORT FILM COMPETITION AWARDS

The AU Faculty of Fine Arts' short film competition, held in conjunction with the Republic's 100th anniversary, has concluded. Assoc. Dr. Cüneyt Gök emphasized the importance of short films, saying, "Short films will be effective in the cinema of the future."

AGENDA: OBESITY & WOMEN'S EMPLOYMENT

The Neighborhood Kitchens Project, which was established to provide healthy and safe food, is a solution aimed at both women's employment, which will benefit the economy, and the fight against obesity, the primary cause of which is ready-to-eat food.
