

GLOBALTINBAS NEWS

DISCOVERY DAYS: YOUR ROADMAP TO CAMPUS LIFE

Delighted to showcase a glimpse of our fantastic New Student Orientation! It was truly uplifting to witness a multitude of individuals gathering to acquire knowledge and enroll at Altınbaş University.

Furthermore, we arranged an online seminar in collaboration with our departing students as part of the #erasmusdays initiative.

NEW ERASMUS+ PARTNERSHIP

We are pleased to announce our new collaboration with University of Győr in Hungary, Hotelaria Joviat in Spain, University of Porto in Portugal.

INTERNATIONAL ACADEMIC COOPERATIONS

It is a Pleasure to be Reunited!

It was a pleasure to pay a visit to our valued MOU partner Hotelaria Joviat in Spain!

During our visit, we saw the facilities of Joviat and Fundacio Alicia, discussed about how we may diversify our collaboration in gastronomy and culinary arts, and sampled the delectable fine dining dishes developed by the students!

Also, we would like to share some exciting news: we now have an Erasmus+ agreement too!

Let's Meet with Our New Partners!

Azerbaijan Medical University, Azerbaijan

Shanghai University of Political Science And Law, China

Our Cooperation Meetings Are in a Full Swing!

This month, we welcomed delegations from the Shanghai University of Political Science and Law from China! We believe that our collaboration will result in projects that benefit both of our universities!

Delegation Visit from Pakistan!

We hosted the University of the Punjab, Pakistan delegation in our office! We hope we will establish a long-term partnership together!

ALUMNI RELATIONS

Alumni Office

ISTANBUL ALUMNI WORKSHOP

In order to hear our alumni expectations and suggestions for our university, we held the fourth alumni workshop within the scope of the 100th Anniversary of our Republic Events with our alumni living in Istanbul. We would like to thank all our alumni who participated in the event with their valuable ideas!

ATATÜRK CITY FOREST

Wide forested slope with walking paths and lake, preferred for hiking and picnics

Atatürk City Forest (formerly known as Haciosman Grove) is a park and forest area located in the Sarıyer district of Istanbul. It has three ponds and hiking trails and covers an area more than 1,000 acres. Atatürk City Forest is divided into two by a deep valley between Haciosman and Derbent. There are two natural ponds (Big Pond, Small Pond) arranged consecutively in this valley. There are more than ten species of trees in the forest and on the roadside between the two ponds, Istanbul dandelion, comfrey, euphorbia and Turkish lily are endemic plants in the grove. It is possible to reach the grove from the Haciosman and Darüşşafaka metro stations located in the north and south.

SUSTAINABLE KITCHEN CLASSES ON PINARONLINE ARE OPEN!

We continue to meet with industry professionals within the scope of the cooperation between our university and Pınaronline. Our branded course, in which we bring together Gastronomy and Culinary Arts department students in the Sustainable Cuisine course with PınarOnline, is in the kitchen in the fall semester.

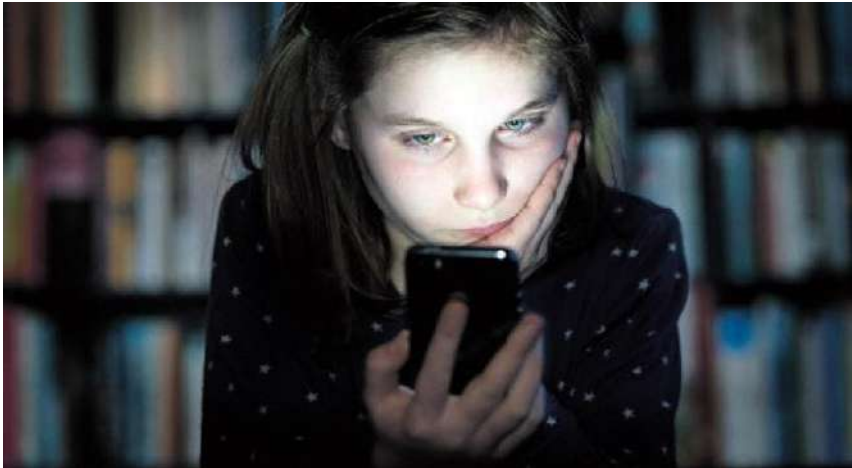

BACK TO UNI CLUB'S FAIR EVENT

Club promotions begin with the Back To Uni event! With this event, you can get information about clubs, sign up and have fun at the same time. Mini golf, competitions and gifts are waiting for you!

ARTICLE ABOUT CONFESSION PAGES AND CYBERBULLYING HAS BEEN PUBLISHED!

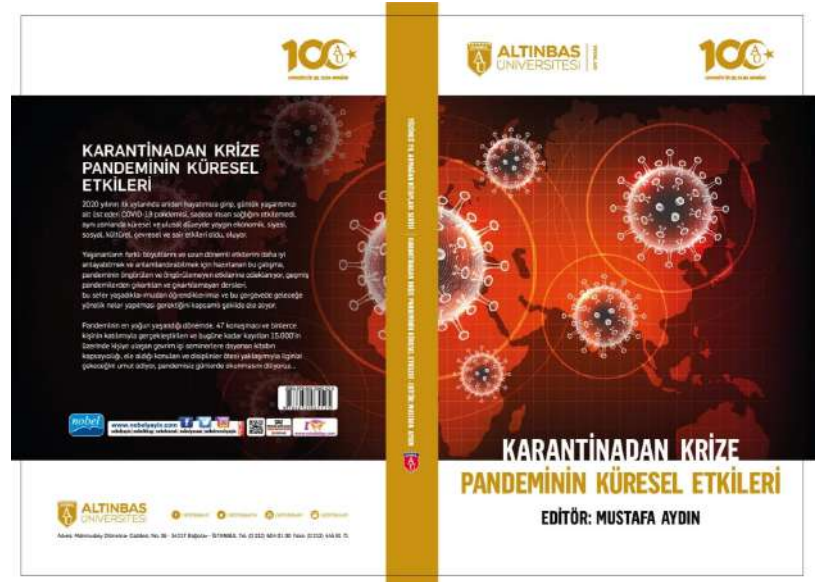

One of our academicians from the Faculty of Medicine, Department of Adolescent Mental Health and Diseases member Assoc. Dr. Süleyman Çakıroğlu's article in which he informed the readers about cyber bullying on the platforms opened under the name of 'Confession Page' has been published! In the article, he advised families about the impact of confession pages on students and the bullying they faced, as well as what they could do.

100 BOOKS FOR THE 100TH ANNIVERSARY

Prof. Dr. Mustafa Aydın added a new book to his series of books dedicated to the 100th anniversary of the Republic of Türkiye! The book he wrote examines the widespread economic, political, cultural, social, environmental and other effects of the Covid-19 pandemic at the global and national level.
