

# GLOBALTINBAS NEWS

## WELCOME TO ALL NEW INCOMING STUDENTS

This semester, we are pleased to extend a warm welcome to a new cohort of your students on our campus. They were greeted by Erasmus Institutional Coordinator and Assistant Speacilist marking the beginning of their journey with us. Throughout their first week, the Student Affairs Office, Library, Uzem, and the Dean of Student Office will also extend their welcomes and provide all the essential information to ensure a smooth start to the semester at Altınbaş University  
We are delighted to host over 39 students representing 14 different nationalities. Could you spot your student(s) in the photo on the right?

## INTERNATIONAL ACADEMIC COOPERATIONS

### Let's Meet with Our New Partners!

### VISIT DIARIES

This month, we welcomed delegations from the Daffodil International University, our MOU-Exchange and Erasmus+ ICM partner!

### "Studying and Working in France" Conference

### ONLINE CEREMONY

We had an online signing ceremony with National University of Science & Technology (NUST), Pakistan

We were pleased to welcome Mr. Emeric Abrignani at Altınbaş University. He had a presentation titled "Studying and Working in France" and also provided information about our international partner "KEDGE Business School" for our dear students.

## ALUMNI RELATIONS

### Alumni Office

### Alumni at the Concert

We hosted Ufuk Beydemir at our university! We held an enjoyable concert with our alumni and students. We would like to thank all our participants who were with us at the concert and our Gastronomy Club students who were among us with the delicious Taco menu they prepared for our participants.

## MÜZE GAZHANE

Cultural complex, a former gasworks, where science, climate and cartoon exhibitions as well as workshops are held.

Hasanpaşa Gasworks, today known as Museum Gasworks (Müze Gazhane), was a gasworks to produce coal gas in Kadıköy, Istanbul. Built in 1892, it was redeveloped into an arts, cultural center and technology museum in 2021. It consists of a library having about 10,000 books, named after Prof. Afife Batur, the leader of the restoration project, two theater halls, one with 300 seating capacity and the other one with 130 seater, cafeteria, restaurant and social areas.
